It seems like there's a card for everything these days. Debit cards, credit cards, discount cards, club cards... you name it and there's a card for it. You may think you have too many cards, but if you don't have an Abilene Public Library card, you're missing the best card of all!! September is Library Card Signup Month and an Abilene Public Library card is free. That's hard to beat for what you get.

With a library card the possibilities are endless. A library card lets you check out books, DVDs, CDs, use a computer or access our online resources 24/7. You can reserve items, borrow from the university libraries, and get items from libraries far away.

Folks who live or own property in Abilene or Taylor County pay nothing for your card. Stop by one of our locations (Main, South 14<sup>th</sup> or

Mockingbird) and we'll set you up. Bring a current picture ID and proof of address along with you. (A good proof of address is a utility bill or copy of a rental agreement.) Speed up the process even more by printing out a registration form for you or your children at <http://www.abilenetx.com/apl/faq.html> and bring it in already filled out.

Questions? Call 677-2474. It's that simple!
